

Please provide additional information of any other fishing memberships, past or present, that you have and what type of fish you intend fishing for. We will then inform you as to whether or not your membership has been accepted. On approval we require full payment, including initial joining fee and passport sized photos. We will then issue you with a membership card which you should carry with you at all times when fishing at the Lake.

### Gate Key

To ensure the security and safety of both the Centre and it's fishing members the front gate is locked at the end of every day. Therefore, if you wish to have access to the Lake for night fishing you will require a key for the padlock. This is a security padlock and you will only be able to access keys through the Centre. A £25 deposit is required which will be reimbursed when the key is returned at the end of your membership. Padlocks may be changed periodically and new keys will be issued by the Centre on return of the old key. Misplaced or lost keys can be replaced for an additional £25

### Membership Renewal

Membership renewal will be confirmed upon receipt of a signed membership form, full payment and passport sized photos (2). Terms and conditions are available overleaf. Please be aware that your membership card can not be issued unless we have your photos.

### MEMBERSHIP AT BRAY LAKE

Bray Lake is one of the countries leading water sports centres and has been in operation for over three decades. The Lake caters for people of all ages, abilities and backgrounds and prides itself as a family friendly centre. There is an active Watersports Club and a small, exclusive Fishing Club. Below you will find details about both.

### Watersports Club

If you're coming down to the Centre to hire on a regular basis it pays to join the club. Becoming a member of the Bray Lake Watersports Club will give you discounts on hire, plus preferential 'Member's Only' discount on purchases from the shop - perfect if you're looking to buy your first set of equipment or upgrade your existing kit. The Club is active and dynamic with short and long trips organised both at home and abroad. For more info on the benefits, see overleaf.

### Fishing Club

Bray Lake Fishing Club was formed by request from local fishermen and is a small, members only club. It is the intention of Bray Lake Watersports to provide good quality fishing in the same friendly manner that it provides its sailing activities. It is not the aim to open the Club up to everyone, but instead to provide an environment that allows its members to fully enjoy their chosen activity with the minimum of fuss. Members are allowed to fish throughout the day and night and use all of the Centre's facilities, including showers, changing areas and cafe.

### Joining is Easy

Simply ask for a Membership Form and complete all the information. Ensure you sign the form to confirm that you have read the terms and conditions and exclusion clause (details can be found at [www.braylake.com/membership](http://www.braylake.com/membership) and below). If you have any questions or problems completing the form, a member of staff will be happy to assist. We will require also a passport sized photo in order to issue you with a membership card.
